Perhaps we need to have a reading at the next board meeting of the number of times I ask you a question

Bruce,

I still need to know if you accept to pay 25 cents per page for a copy of the minutes. I will wait for your confirmation before I make copies for you.

It is not possible and impractical to try and recall individual conversations.

Thank you for your understanding.

I look forward to your reply.

Best regards,

Lorena Parker

Still need to know who added the HIN presentation to the PBID agenda.

Still need to know why the minutes are not available in electronic format.
